

*Current Slate from Committee on Representation for voting by Presbytery of Geneva.*

*We are thrilled that so many folks continue to serve our Presbytery in undeniable ways – thank you for offering your time & talents to serve God in this way. Below are the names we from COR are submitting to serve (both continuing & beginning service in new ways). You will also note that there are still “needs” – we do continue discerning with people in how the Holy Spirit might be encouraging service in this season. We anticipate we might have a few more names of people called to serve prior to our upcoming Presbytery Meeting on Nov. 19th – and thus, as we are able we will add names during the meeting for us to be able to vote upon.*

*However – if you know of someone (or if you!) are feeling led to serve in a way where we have a need – please do not be shy – please reach out to a member of COR to share your heart – we welcome getting to discern together in this way.*

**Moderator:** CRE Connie Franks (Marion |serves: Shortsville First)
